administrative expenses for the 2008 fourth quarter were reduced to \$5.0 million from \$5.1 million a year ago.

Revenue in the U.S. for SPAR Group's 2008 fourth quarter was \$8.0 million, compared with \$9.4 million a year ago. U.S. operations reported net income of \$973,000 for the 2008 fourth quarter, compared with \$1.8 million for the same period last year.

The net loss in 2008 for the international division increased to \$506,000 from a net loss of \$359,000 last year, primarily due to additional tax expense resulting from a change in tax filing status in Japan.

For the year ended December 31, 2008, the company reported improvements in all areas. Revenues advanced 14.7% to \$69.6 million from \$60.7 million for the prior year. SPAR Group recorded net income of \$102,000 for 2008, or \$0.01 per share, which included \$458,000 in non-recurring litigation costs, an expense concession of \$900,000 from its affiliates, and \$170,000 in tax benefits compared with a net loss of \$2.5 million, or \$0.13 per share, for 2007. Operating income for 2008 improved to \$1.5 million, compared with an operating loss of \$2.0 million in 2007. Selling, general and administrative expenses for 2008 were reduced 9.5% to \$18.5 million from \$20.5 million a year ago.

For the year ended December 31, 2008, revenue in the U.S. advanced 4.7% to \$30.8 million from \$29.4 million in 2007. The company posted net income of \$215,000 from its U.S. operations for 2008, compared with a net loss of \$1.5 million for 2007.

International revenues for the full 2008 year increased 24.0% to \$38.8 million from \$31.3 million for 2007. The international division posted 2008 net loss of \$113,000, down sharply from a net loss of \$979,000 last year.

"The improved results for the full year 2008 were attributable to continued growth in revenue and profitability over the prior year losses from both the US and International operations," said Gary Raymond, president and chief executive officer. "Results for the year also benefitted from new business opportunities and continued close attention to cost controls throughout the company."
